

Mr. Breitsprecher's

Insect Rap

Learning Insects is easy as can be.

All you need is 3 - 2 - 3.

Insects all have 3 pairs of legs.

Insects have 2 antennae on their their heads.

Insect bodys are always in threes.

Learning insects is just 3 - 2 - 3.

Let's make learning fun and easy as can be.

All you need is 3 - 2 - 2.
