

Book Talk Today

William P. Breitsprecher

Parker High School

May 25, 2004

Read a Good Book Lately?

Reading is FUN! It is also an essential skill that underlies a variety of other types of learning. Reading for enjoyment is an important way to increase reading comprehension and develop higher level thinking skills.

Many schools have reading groups. It's a great way to create excitement for reading. At Parker High School, the reading club is starting its 3rd year.

The reading club strives to inspire and encourage students to read and enjoy books and cultivate a life-long interest in reading. Along the way we meet new friends and

discuss our reflections on the books we read as a group, individually, or in pair-shares.

Reading Club Mission:

The reading club is all about getting more out of reading and having more fun doing it. Our club's mission is to

- Promote a variety of literary styles and genres
- Share inquiry gained from readings
- Increase appreciation of the literary merits of books

- Share selected and recommended readings
- Promote an awareness of popular books and encourage discussions of each author's work.

Can You Help Us?

Have you read an interesting book this year? Can you identify something you have read and give us some short reflections on what you have read and how it affected you? Thanks for your insights and it would be fun to see you at our next meeting!

Please Cut Along Dotted Line
